**Re: Proposed Supplemental Table 9-2A: Supplement to Portland Harbor RI/FS Deliverable
Descriptions and Submittal Deadlines (Lower Willamette River, Portland Harbor
Superfund Site, USEPA Docket No: CERCLA-10-2001-0240)**

Chip and Kristine:

A March 18, 2011 letter sent to you from the Lower Willamette Group documented our understanding of the mutually agreed upon new schedule of deliverables in response to EPA's letter of February 25, 2011. Consistent with that agreement, we have enclosed a draft supplemental table (Table 9-2A) that we propose be adopted as an amendment to the Portland Harbor RI/FS Programmatic Work Plan to reflect the revised deadlines. We have done our best to describe what we believe to be a reasonable deadline for the Revised Feasibility Study report and would be interested in further discussion on that item.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bob Wyatt", with a long horizontal flourish extending to the right.

Bob Wyatt
